

# FOOD SAFETY POLICY

Lancing Sailing Club has a duty:

- To ensure the safe and hygienic provision of food and beverages from its canteen.
- To ensure that all food supplied is produced, stored, handled and transported in accordance with legislative requirements and is safe and fit for human consumption.
- To ensure that the canteen and catering equipment, including fridges, freezers and cookers are cleaned and maintained regularly.
- To ensure that all risks associated with food provision are reduced to a tolerable level and food handlers have the necessary competence to undertake their tasks.
